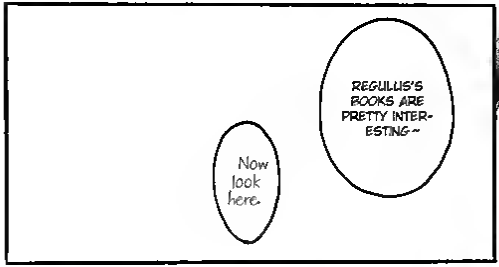
AT LEAST QUIET DOWN A LITTLE WHILE I'M WAKING UP...
That's why we synchronize our clocks with Earth time.
NO. THERE ARE RULES THAT YOU NEED TO FOLLOW WHEN LIVING WITH OTHERS.
BOOO...
but her food is good.
HEY, ANTARES...
AREN'T YOU BECOMING MORE "HUMAN"?

"Human", huh...?
Hmm...
As in how I'm so strict with rules..?

ALICE?
the earth is free now
Well, since we're constantly observing humans, their behavior might have rubbed off on me..
...She's gone...
ALICE, WHERE ARE YOU?
ALICE?

ALICE. WHAT DO YOU THINK YOU'RE DOING...?
AH, ANTARES!



REGULUS'S BOOKS ARE PRETTY INTER-ESTING~
Now look here.

HEY, ANTARES.
WHO THE HELL GOES INTO OTHER PEOPLE'S ROOMS WITHOUT PERMISSION AND MAKES SUCH A MESS!?
EEH?
WHY ARE YOU DOING THIS?
WE'RE NOT HUMANS, AND YOU'RE NOT GOING TO BE HERE FOREVER.
IS THERE REALLY ANY MEANING TO SUCH STRICT REGULATIONS?

I'D LIKE TO DO AS I PLEASE THANK YOU VERY MUCH.
whoosh
Antares!
Reporting as scheduled~
AH, PRAESEPE.

Umm, don't you look kinda tired?
Are you okay?
WELL...
I'M ALL RIGHT!
Is Alice too much for you after all?
Maybe we should hurry up and...
Really?

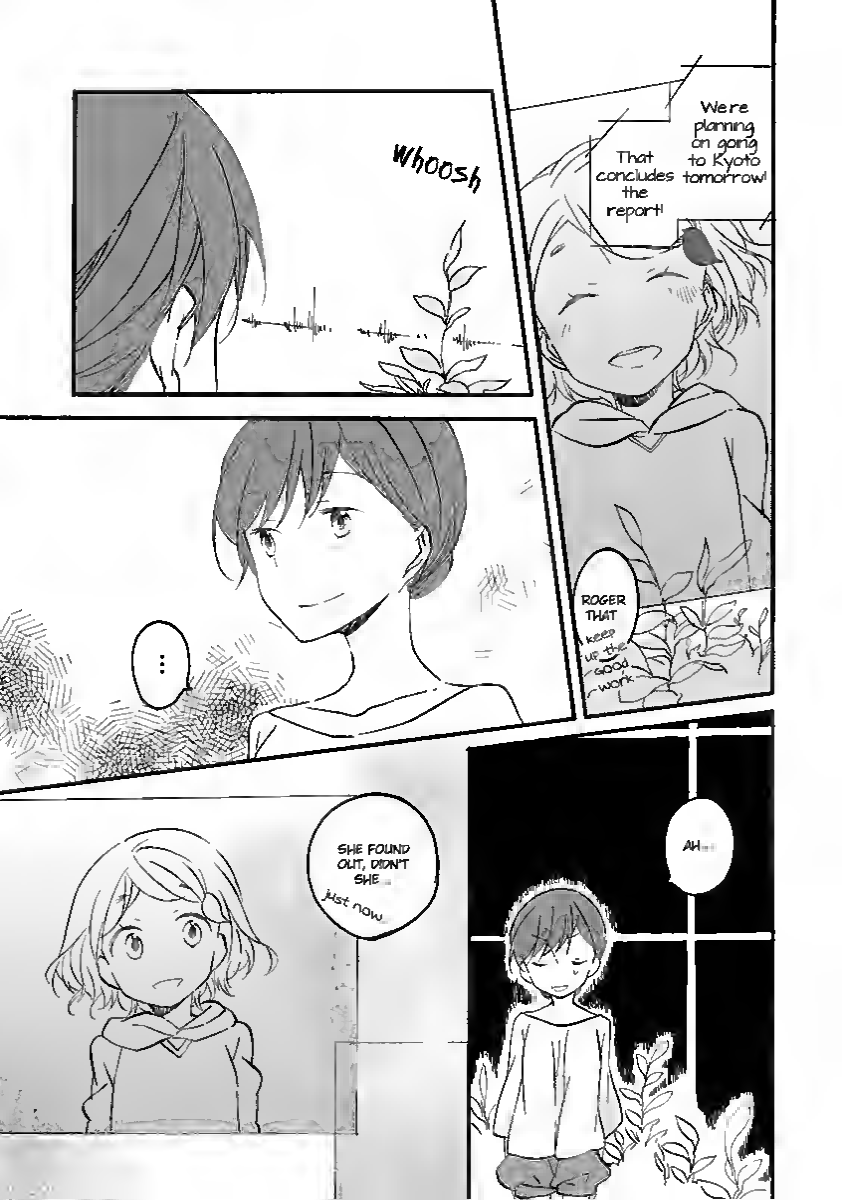
S...So many books...
But she looked sooo happy!
It's a bit stifling.
Although there's also tons of buildings here and the air quality's not that great



Whoosh

We're planning on going to Kyoto tomorrow!
ROGER THAT
keep up the good work
...
